

ENVIRONMENTAL

POLICY

Empire Marina Lake Macquarie is committed to conducting its business in an environmentally sound manner and believes that environmental goals can, and should, be consistent with business development.

In particular, Empire Marina Lake Macquarie is committed to;

- ✓ **Compliance**
Ensuring that our business has the management systems and operating procedures which will secure compliance with the spirit of the law, as well as with applicable statutory requirements, and to identify, control and monitor environmental risks.
- ✓ **Careful Practices**
Adopting practices which minimise any adverse environmental impact and aiming to achieve a high standard of environmental care.
- ✓ **Communication**
Maintaining open and constructive communication with government organisations and industry bodies on environmental issues.
- ✓ **Information**
Providing employees and customers with information about the environmental impact of its products and services and ensuring that suppliers and contractors are aware of its environmental policy and are encouraged to apply a comparable standard of environmental care.
- ✓ **Efficiency**
Requiring all areas of our business to continually improve methods and procedures to make the most efficient use of resources, minimise waste and reduce any adverse environmental impact.
