Trailer Storage

Save the hassle of towing your trailer boat or jet ski through traffic and regain the use of your front lawn or garage by taking advantage of our new secure trailer storage yard at Empire Marina Lake Macquarie

Located less than 100m from the boat ramp, Empire Marina Lake Macquarie's secure trailer storage yard offers the ultimate in convenience and practicality. Your boat is accessible between 8:30 and 4:30 7 days a week, and our easy pick-up and drop-off procedures mean no more complicated reversing manoeuvres to put the boat away. We require 2 hours notice to have your boat placed and ready to hook-up, and ask for 1 hours notice of your return so our helpful staff can help you unhook the boat and return it safely to the yard.

Our yard is securely fenced and patrolled nightly, giving you peace of mind that your pride and joy is safe, and we supply fresh water for wash-down and engine flushing to keep everything running smoothly. Engine flushes and washdowns are available at an extra cost. Our onsite chandlery stocks all your boating essentials, and our friendly and knowledgeable staff are always on hand to answer your questions and offer helpful advice. We also have mechanics, electricians, shipwrights and detailers onsite. Empire Marina Lake Macquarie is a true one-stop shop for all your boating needs.

When it comes time to upgrade your boat look no further. The position of our yard offers excellent exposure to potential buyers, and our onsite brokers are on hand to help if you are selling your boat or in the market for a new toy.
